Be Jail re the annual repairs to
the official quarters and other works in
the Be Jail and requests for reasons given
that the Chief Engineer may
be placed at the necessary year's
disposal of the Ex Engineer
Dt for the works in question.

1) Submd. According to the G.O. referred
2) to all original works costing less than
Rs 1000 as well as repairs in the Jails
have to be carried by the Supdt Be
Jail. If the annual repairs and other
works which the D.G.P wants
the D.P.W. to undertake are within
the limit of Rs 1000 fixed they have to
be carried out by the Jails as thanks
The D.G. Prisons not for such information
about the necessity of these works.

3) The Supdt Be Jail to send a detailed
list of the orders only authorised to undertake
works in the Jail and not desired
4) But he does not appear to have shown

General and Revenue Secretariat.

Pol. File No. 13 of 1920.

Serial No.

37 The Supdt further Contended that it would be objectionable to utilise prisoners labour outside the Jail and that it would have to utilise additional Staff of warders for guarding the prisoners while on Forest-Work. This cannot be considered a strong ground for transferring the work which belong to the Jail authorities to the D.F.W. Keeper.

4) As orders

K.S.
27/7.

The contention of the Supdt B.C. Jail seems to be correct. It does not appear to be feasible to carry out this particular work with the help of Prison labour.

6) The C.C. may perhaps be consulted A.D.

9) Returned, with compliments, to the Gen[illegible] Secretary to Government.

10) 2. There is no objection to have the works of the kind done in Public Works Department. In fact it was at the instance of the previous Superintendent that such works were permitted to be executed by the Superintendent himself. But as the present incumbent takes a different view the works may be transferred.

11) As per G.O. dated 16th July 1926 (~~[illegible]~~) it was understood that provision will be made in the Jail Budget. No provision has therefore been made in the P.W. Budget for the purpose. In future the Inspector General of Prisons may be asked to communicate his requirements in this connection to the Superintending Engineer in time for inclusion of the necessary provision in the draft budget of the P.W. Department, it being understood that provision for works to be attended to by the Superintendent will be made in the Jail Budget itself.

From

The Inspector-General of Prisons

in Mysore, Bangalore.

To Pri 13-28-1

The General Secretary to the Government of H.H. the

Maharaja of Mysore, Bangalore.

Sir,

In forwarding herewith, for favour of your perusal copy of letter No. 11 dated 18th July 1928 with its enclosures in original, from the Superintendent, Bangalore Central Jail, I have the honour to state that as per Government Order No. G. 480-4/Pris. 79-25-2 dated 16th July 1926 works of petty construction and repairs costing less than Rs. 1000/- are being carried out by the Superintendent of the Jail using prison labour, and the annual repairs to the official quarters and other works by the Department of Public Works.

The work of Chunam, plastering and repairing the outer most wall of the Jail compound is also reported to be attended to hitherto by the D.P.W. But the Executive Engineer, Bangalore Division, has now re the Superintendent of the Jail, to sa that no funds are pr or such repairs in the D.P.W. Budget.

I request u circumstances that you will be so good as to instruct f Engineer of Mysore to place the necessary funds at t sal of the Executive Engineer for the work in question.

Letter No. 11 dated 18th July 1928 from the Superintendent Central Jail, Bangalore, to the Inspector-General of Prisons in Mysore, B'lore.

-*-*-*-*-*-*-*-*-*-*-*-*-

In forwarding herewith for favour of your perusal a copy of my letter No. 1084/F. 4 dated 2nd instant to the Executive Engineer, Bangalore Division, and his reply thereto declining to take up the chunam plastering etc., of the outerm compound wall of the Jail, I have the honour to invite referenc to the Government ofder of July 1926 cited by the Executive Engineer which appears to me to apply to works and repairs to be carried out within the Jail buildings and not to the outer wall (and quarters also), particularly so in view of the fact that the proposed work being outside the Jail Compound, does not invlove any restrictions to outside labour referred to in para 1 of the said Government Order.

2. I have further to add that if the Executive Engineer's Interpretation of the Government Order is correct, one of the objects of the order which I presume to be the avoidance of prisoners coming in contact with outsiders will be defeated in as muchas those employed on the work, under advertance would have free access to all outsiders passing by the Jail walls. Should this work be under taken by the Jail labour, there will be a necessity of employing additional staff of warders not only to gaurd the prisoners during the day but also the scaffolding during nights to prevent escapes. I may further add that the work under advertance was being hitherto done by the D.P.W. and that besides no funds are sanctioned in the current year's Budget of the Jail to meet the cost there of.

3. In these circumstances, I request you to kindly induce the D.P.W. to undertake the execution of this work themselves.

REPAIRS TO JAIL BUILDINGS.

= = = = =

With reference to his No.361 dated 10-7-1928, enclosing copy of his letter to the Superintendent, Central Jail, Bangalore, on the above subject, has the honor to inform the Executive Engineer that repairs both inside the Jail buildings as well as outsideit, are to be understood by the Government Order. This interpretation put up on the Govt. order, by the Superintendent seems untenable.

- - - - -

No. 269 Dated 2-8-1928.

Copy of the above is forwarded with compliments to the Superintendent, Central Jail, Bangalore for information, in continuation of this office No. 48 dated 10-7-1928.

R E A D.-

1. Government Order No. G.480-4/Pris.79-25-2, dated the 16th July 1926 authorising the Superintendent, Bangalore Central Jail, to carry out original works and repairs in the Jail costing less than Rs. 1,000/-.

2. Correspondence ending with letter No. C.40-4, dated the 11th August 1928, from the Inspector-General of Prisons in Mysore, requesting that the Public Works Department authorities may be instructed to take up the work of repairing the outside compound wall of the Bangalore Central Jail.

ORDER NO. G. 548-20.

BANGALORE, DATED 7th November 1928.

It is observed that doubts have been felt about the interpretation of the Government Order read above in respect of the responsibility of the Jail and the Public Works Departments about the repairs to the Bangalore Central Jail. To make matters clear, Government are pleased to issue the following instructions:-

2. The works connected with the Jail fall into two categories, viz., (i) repairs and original works inside the Jail and (ii) works outside the Jail which if they had to be undertaken with convict labour would necessitate

the employment of convicts outside the Jail, such as repairs and chunam plastering to the outside wall and repairs to official quarters. The Government Order read above applies only to ~~the~~ works of the first category. These works within the Jail should be carried out by the Superintendent, Bangalore Central Jail, in accordance with the instructions contained in the Government Order of July 1926. The funds required for this purpose should be provided in the Jail Budget.

3. All works of the second category should be attended to by the Public Works Department and the funds required should be ~~found~~ included in the budget of the Public Works Department. The Superintendent, Bangalore Central Jail, will intimate in time to the ~~Superintending Engineer, Circle, Executive Engineer, Bangalore Division,~~ his requirements in respect of the works to be carried out by the P.W. Department so that the necessary provision may be included in the ~~future~~ budgets of Jail department.
